

KNOWS ONE OF THEM

H. D. Plumb Identifies Brinson in Justice Court.

GOOD EVIDENCE AGAINST THEM

Brinson Tried to Trade Pennies for Silver or Greenbacks at Plumb's Store Monday.

James Bailey and John Brinson, the two men arrested on suspicion of burglarizing Plumb's Mill postoffice, were partially examined in Justice Holcomb's court yesterday. The two men have the appearance of "professionals" and seem to take little interest in the proceedings. H. D. Plumb testified as to the condition of the store when he left it Monday night and of the condition he found it in Tuesday morning. He swore on cross-examination that Brinson came into his store Monday afternoon and asked to exchange some pennies for other money. Brinson said he had been shooting craps and wished to get rid of the pennies he had won. Mrs. Holmes, in whose place the men had been, swore that they came to her place and engaged rooms. That they slept there in the daytime and were away at night. They left her house Saturday and did not return until Tuesday morning about 6 o'clock. Mrs. Holmes daughter testified to about the same facts. The case was adjourned until Thursday morning at 9 o'clock.

THAPPED THE THIRD MAN.

All the Plumb's Mill Burglars Are Now in Jail.

Wednesday morning THE HERALD gave to the public exclusively the story of the capture of Bailey and Brinson, the two men who burglarized Plumb's store Monday night. THE HERALD stated that another member of the gang, named Clark, had slipped and could not be found. Yesterday morning the fellow came back to his room on West Bridge street and a watchman, with whom arrangement had been made, telephoned the sheriff that Clark had returned. Deputies Powers and Houseman at once hurried to Clark's room and captured him. He gave them the name of J. J. Burns, and said he had never seen the man in which he was found until he came there that morning. Mr. Holmes says Clark, or Burns, came there with Bailey and Brinson last week. A state-room check on a boat for Chicago was found in his pocket, and it is believed he took the "snag" taken at Plumb's, to Chicago and returned to join his companions, not knowing of their capture. A number of suspicious looking strangers are hanging about watching the prisoners, and it is feared they are pals, who will try to aid in liberating the men.

IS A FIGHTING CHINAMAN.

Sam Long Objected to Registering According to Law.

Deputy Marshal Brewster arrested Sam Long on a Q. R. & L. ticket yesterday and took him before United States Commissioner McQueen. Sam is a Celestial who has been running a laundry at Chicago, and he has not satisfied the United States authorities that he is a legal resident of the United States. Sam is said to be a bad Chinaman and offered some resistance to the officer when he made the arrest. A few weeks ago when a deputy collector of revenue went into Sam's place to get him to register according to law, Sam drove him out with a flat iron which he flourished about the collector's head in a menacing manner. The collector called a second time and when Sam saw him entering the front door he quietly made a sneak from the rear. After a little evidence had been taken yesterday, the examination was adjourned till this afternoon at 2 o'clock.

Police Court for June.

SCRATCHED 3 YEARS

Smiled, scratched, and died. Doctors No Relief. Cured by Two Seta Cuticura Remedies.

I wish to express my thanks for the benefit I have derived from using CUTICURA REMEDIES. Nothing like them was ever manufactured. For three years I have been afflicted with a severe case of itching, scaling, and crusting of the scalp, which was attended by a violent itching, and I would have to scratch until my hands were raw. I finally made up my mind to try your CUTICURA REMEDIES with result entirely satisfactory to me. After using two sets of CUTICURA REMEDIES, I am entirely cured. I have recommended your remedies to several persons, and they all tell me they are No. 1. Our druggist is doing a nice business with CUTICURA REMEDIES, and I have given him the privilege of using my name as proof of their efficacy. I enclose my portrait.

My wife has been troubled with the salt rheum for four years. During this time she has used every remedy, and the most eminent doctors of Chicago, failed to give relief. I bought the CUTICURA REMEDIES, and she used only one box of CUTICURA REMEDIES, and half a bottle of the CUTICURA RESOLVENT, and these have cured my wife's condition.
